Item 5 Full Description of Material Change

5.1 Full Description of Material Change

The Company has terminated the agreement dated July 16, 2008, as amended February 23, 2009 (the "Agreement"), with Kinsley for the sale of the Kinsley Mountain property to Kinsley.

Under the Agreement, Kinsley was required to make monthly payments of \$50,000 each month. Kinsley defaulted on its May 1 and June 1, 2009 payments. Accordingly, the Company has terminated the Agreement.

The Kinsley Mountain property, consists of 141 unpatented mining claims and is located in Elko County, Nevada. Known gold mineralization, described as a Carlin-type gold deposit, occurs on the property within sedimentary rocks including limestone. Several other gold discoveries have recently been made in eastern Nevada in this same geological setting.
