The Company will not complete a name change. The Consolidation will be effective December 16, 2013 and the common shares will trade on a post consolidation basis as of the open of the market on December 16, 2013.

Any resulting fractional shares remaining after Consolidation that is less than one-half of a common share will be cancelled and each fractional common share that is at least one half of a common share will be changed to one whole common share.
