NEVADA SUNRISE APPOINTS DAVID SHAW TO ADVISORY BOARD

OCTOBER 1, 2015, Vancouver, British Columbia - Nevada Sunrise Gold Corporation ("Nevada Sunrise" or the "Company") (TSXV: NEV) is pleased to announce the appointment of Dr. David Shaw to its Advisory Board as a technical advisor in the field of lithium exploration.

Dr. David Shaw has in excess of three decades of experience in the resource and finance industry with specific emphasis on technical and financial due diligence of resource projects. He attained a Bachelor of Science, Geology from the University of Sheffield, England in 1973 and his Ph.D. in Structural Geology from Carleton University, in Ottawa, Canada in 1980.

Dr. Shaw spent seven years with Chevron Resources in Calgary, AB, and Vancouver, BC, employed initially as an in-house structural consultant on both metal and hydrocarbon exploration programs. Upon leaving Chevron, he initiated and developed the Resource Research Group at Charlton Securities Ltd., Calgary before assuming the position of Senior Mining Analyst, Corporate Finance, at Yorkton Securities Inc. in Vancouver.

In 2009, David acted as Chairman of Salares Lithium Inc. ("Salares"), and from inception assisted in the development of its Chilean lithium brines project. Salares was acquired in 2010 by Talison Minerals Pty. of Australia to form Talison Lithium Inc., the world's largest pure lithium company. Dr. Shaw served as a director of Talison until it was acquired by Chengdu Tianqi Industry (Group) Co., Ltd. in 2013 for over CDN\$800 million.

Throughout David's career, he has built strong relationships with European financial institutions and the global mining community. He is currently a director of First Majestic Silver Corp. (NYSE: AG; TSX: FR), First Mining Finance Corp. (TSXV: FF), Great Quest Fertilizer Ltd. (TSXV: GQ) and Medallion Resources Limited (TSXV: MDL).

About Nevada Sunrise

Nevada Sunrise is a junior mineral exploration company with a strong technical team based in Vancouver, BC, Canada, that holds interests in four exploration projects in Nevada, USA. Our three key gold assets include a 21% interest in a joint venture with Pilot Gold Inc. at Kinsley Mountain near Wendover, a 100% interest in the Golden Arrow project near Tonopah, and a 100% interest in the Roulette gold property in the southeastern Carlin trend near Ely, with each of the properties subject to certain production royalties. The Neptune lithium property near Silver Peak is the Company's first acquisition in the field of lithium exploration.

FORWARD LOOKING STATEMENTS

All statements in this release, other than statements of historical fact, are "forward-looking information" with respect to Nevada Sunrise Gold Corporation ("Nevada Sunrise") within the meaning of applicable Canadian securities laws, including statements that address future mineral production, reserve potential, exploration drilling, the future price of precious metals or lithium, potential quantity and/or grade of minerals, potential size of a mineralized zone, potential expansion of mineralization, the timing and results of future resource estimates, or other study, proposed exploration and development of our exploration properties and the estimation of mineral resources. Forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "project", "predict", "potential", "targeting", "intends", "believe", "potential", and similar expressions, or describes a "goal", or variation of such words and phrases or state that certain actions, events or results "may", "should", "could", "would", "might" or "will" be taken, occur or be achieved. These statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement of Nevada Sunrise to differ materially from those anticipated in such forward-looking information.

Such factors include, among others, risks related to the interpretation and actual results of historical exploration at the Neptune property, reliance on technical information provided by third parties on any of our exploration properties, including access to historical information on the Neptune property, current exploration and development activities; changes in project parameters as plans continue to be refined; current economic conditions; future prices of commodities; possible variations in grade or recovery rates; failure of equipment or processes to operate as anticipated; the failure of contracted parties to perform; labor disputes and other risks of the mining industry; delays in obtaining governmental approvals, financing or in the completion of exploration, as well as those factors discussed in the section entitled "Risk Factors" in the Company's Management Discussion and Analysis for the Nine Months ended June 30, 2015, which is available under Company's SEDAR profile at www.sedar.com.

Although Nevada Sunrise has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Nevada Sunrise disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. Accordingly, readers should not place undue reliance on forward-looking information.

Forward-looking statements are made as of the date hereof and accordingly are subject to change after such date. Except as otherwise indicated by Nevada Sunrise, these statements do not reflect the potential impact of any non-recurring or other special items or of any dispositions, monetizations, mergers, acquisitions, other business combinations or other transactions that may be announced or that may occur after the date hereof. Forward-looking statements are provided for the purpose of providing information about management's current expectations and plans and allowing investors and others to get a better understanding of our operating environment. Nevada Sunrise does not undertake to update any forward-looking statements that are included in this document, except in accordance with applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. The Securities of Nevada Sunrise Gold Corporation have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to the account or benefit of any U.S. person.
