### NEVADA SUNRISE GRANTS STOCK OPTIONS

**November 23, 2015**, Vancouver, British Columbia – Nevada Sunrise Gold Corporation (“Nevada Sunrise” or the “Company”) (TSXV: NEV) announced today that has granted a total of 520,000 stock options to directors, officers and consultants of the Company, exercisable at a price of \$0.22 per share for a period of five years from the date of grant. The options have been granted in accordance with the Company's stock option plan.

#### **About Nevada Sunrise**

Nevada Sunrise is a junior mineral exploration company with a strong technical team based in Vancouver, BC, Canada, that holds interests in gold and lithium exploration projects in Nevada, USA. Our three key gold assets include a 21% interest in a joint venture with Pilot Gold Inc. at Kinsley Mountain near Wendover, a 100% interest in the Golden Arrow project near Tonopah, and a 100% interest in the Roulette gold property in the southeastern Carlin trend near Ely, with each of the properties subject to certain production royalties. The Neptune lithium property near Silver Peak is the Company's first acquisition in the field of lithium exploration, while the Clayton NE and Jackson Wash lithium properties are subject to interim agreements and are currently being evaluated by the Company.
